NØDA Natural Deodorant

We're NØDA, pronounced "no da", a sustainable and eco-friendly deodorant company with Scandinavian roots, from Queensland, Australia.

NØDA was founded on the belief that smelling great shouldn't come at the cost of your health or the environment, so we have developed a range of deodorants that are **vegan, sustainable, compostable** and completely **free from harmful chemicals**, embracing the power of nature while keeping you smelling fresh all day.

GOAL:
to drive sales growth on tiktok & instagram

Get in touch, today!

It's a fully natural deodorant that works!

At NØDA we're thrilled to collaborate with individuals who **share our passion for natural, eco-friendly solutions**. We believe in the power of **authentic voices** to spread the word about our exceptional products and the positive impact they have on personal well-being and the environment.

Through **captivating storytelling, engaging content, and honest reviews**, we want you to showcase the effectiveness and delightful scents of NØDA.

Highlight how our deodorants provide reliable odour protection without compromising on health, utilising only natural ingredients that are safe for the skin and the planet.
